WHAT'S BEEN HAPPENING

Welcome Back to Term 4!

After the excitement of our spring holiday program, we're thrilled to welcome everyone back for the final term of the year!

During the school holidays, children enjoyed a variety of engaging and exciting activities designed to spark their curiosity and support their learning. It was wonderful to see their enthusiasm as they explored new ideas and had fun with friends.

This term, we'll continue running our clubs, which are carefully planned to reflect the children's interests and meet their developmental needs. We're also looking forward to our Term 4 exciting events like our Halloween celebration and Christmas party!

I can't wait to share another term full of fun, learning, and memorable moments with the children.

IMPORTANT INFO

Lost Property – Please Check!

We've gathered a significant amount of lost property during the Spring Holiday Care program. Please take a moment to check our lost property collection and see if any of your belongings are there. Items will be held until the end of **Week 2** – after that, unclaimed items may be donated or discarded.

Sun Safety Reminder: Hats Are a Must!

As the UV levels rise, we'd like to remind all families that **hats are mandatory** for outdoor play. In line with school policy, we follow the rule: **"No Hat, No Play."**

To ensure every child is protected:

- **Sunscreen will be applied before outdoor activities.**
- You're welcome to provide your child's **own sunscreen** if they have specific skin needs.
- For **hygiene reasons**, children **cannot borrow hats** from lost property. This helps prevent the spread of head lice and keeps everyone healthy.

Thank you for helping us keep all children **safe, healthy, and sun-smart** during their time in our care!

Spring Vacation Care Highlights

This spring holiday, children were given exciting opportunities to expand their knowledge and have fun through a range of engaging experiences. They explored cultural topics such as Aboriginal Dreamtime stories during the **Gumaraa** incursion and celebrated Asian culture through beautiful, hands-on craft activities. They also learned interesting facts about llamas and alpacas and developed their science knowledge during an inspiring excursion to Questacon. On top of that, they practiced their footy skills in active outdoor sessions.

Beyond the educational adventures, there was plenty of fun and entertainment! Children enjoyed a trip to the cinema to watch **The Bad Guys 2**, bounced out their energy at **Bounce**, and even adopted their own cuddly **bear** friends to take home. Creative moments were sparked through a special craft session led by our incursion team, and laughter filled the room during an interactive performance of *The Messy Room* show.

It was a joy to see the children giggling, socializing, and making memories together throughout the holiday.

I can't wait to share even more fun and learning in the next school holiday journey!
